

Abbeymount/Montrose Terrace, Edinburgh

For the Co-proprietors

This building commands a dominant site to the north of Holyrood Park with superb views of the Park and the new Scottish Parliament building.

The contract involved major works to the fabric including stone repairs, stone cleaning, slaterwork and renewal of flashings. Work to the shop fronts was also included. The project was mainly funded by Repairs Grants from the City of Edinburgh Council.

Contractor: G Grigg and Sons
Structural Engineer: David Narro Associates
